

JOIN OUR COMMUNITY ADVISORY BOARD TEAM

Are you a community leader passionate about:

- HEALTH DISPARITIES
- CANCER RESEARCH
- DRUG DEVELOPMENT
- EDUCATION

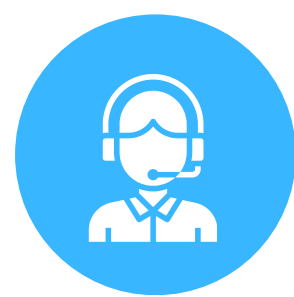

The U54 CARE Partnership invites you to join our team

WHO ARE WE?

Collaborative research and education project between UC Riverside and City of Hope Comprehensive Cancer Center that aims to advance:

- **CANCER RESEARCH**
- **DRUG DEVELOPMENT**
- **REDUCE CANCER HEALTH DISPARITIES**
- **DELIVERY OF HEALTH CARE FINDINGS TO THE COMMUNITY**

WHAT IS A COMMUNITY ADVISORY BOARD MEMBER?

A community member that:

- Participates and contributes to different U54 community research discussions
- Provides input and guidance to strengthen the overall community footprint of the project
- Address health disparities in their community and offers suggestions on ways to improve health outcomes

ELIGIBILITY CRITERIA

- Well-rounded community member with an interest and/or knowledge about one or more of the U54 CARE Partnership goals:
 - Cancer research & health disparities
 - Improving health care and/or research access to diverse communities
 - Education advancement and/or pipeline programs
- Current or previous community leadership experience
- Willing to serve for at least 1 year
- Representative of the diverse U54 catchment area
- Good communication skills

GENERAL RESPONSIBILITIES

- Attend 4-6 CARE partnership meetings per year
- Spokesperson for the priorities and needs of the diverse U54 catchment area
- Interact with fellow CAB members and partnership faculty
- Promote events and network to ensure U54 research and findings are accessible to the community.

WE CARE ABOUT YOUR VOICE

- Compensation (i.e. Gift cards) for participation will be provided by the U54 CARE Partnership team
- Computer/Zoom access required for meetings
