

JOIN OUR RESEARCH TEAM

Are you a community leader passionate about:

- COMMUNITY ACCESS TO HEALTHCARE
- CANCER RESEARCH
- DRUG DEVELOPMENT
- EDUCATION

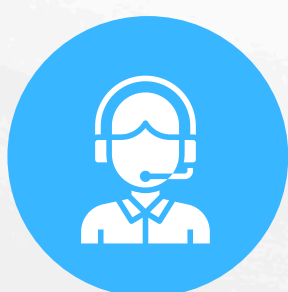

The U54 CARE Partnership invites you to join as a Research Project Community Advisory Board (CAB) member

WHO ARE WE?

Collaborative research and education project between UC Riverside and City of Hope Comprehensive Cancer Center that aims to advance:

- **CANCER RESEARCH**
- **DRUG DEVELOPMENT**
- **REDUCE CANCER DEATHS**
- **DELIVERY OF HEALTH CARE FINDINGS TO THE COMMUNITY**

WHAT IS A RESEARCH PROJECT CAB MEMBER?

A community leader that:

- Provides advice and guidance on different U54 community research discussions
- Use their expertise and guidance to strengthen the overall community footprint of the project
- Address health concerns in their community
- Provides suggestions on ways to improve health outcomes for their community

ELIGIBILITY CRITERIA

- Well-rounded community member with an interest and/or knowledge about one or more of the U54 CARE Partnership goals:
 - Cancer research
 - Improving health care and/or research access to diverse communities
 - Education advancement and/or pipeline programs
- Current or previous community leadership experience
- Representative of the diverse U54 catchment area
- Good communication skills

GENERAL RESPONSIBILITIES

- Attend quarterly research team meetings
- Provide feedback on project related discussions
- Spokesperson for the priorities and needs of the diverse U54 catchment area
- Advocates for fair and inclusive attention to community-wide disparities
- Network to ensure that U54 research and findings are accessible at local community centers and events

WE CARE ABOUT YOUR VOICE

- Compensation (i.e. Gift cards) for participation will be provided by the U54 CARE Partnership team
